“ I remember being at one of your family's epic superbowl parties and I was only like 8 maybe? Michelle could tell that I wasn't enjoying it as much as the grownups, and so she brought me in her room with a couple friends and performed a skit about being late for school and putting on makeup in a hurry- All I remember is that I was laughing so hard and it was the best night. I was really very grateful that night for her kindness, and she probably never even knew how much that meant to me. I am so sorry to hear about Michelle's passing, and am thinking about all of you sending lots of love...

“ I am so sorry to hear about Michelle's passing. I fondly remember working to keep the windshield defrosted while driving with her to morning high school swim team practices. RIP Michelle. Fondly, Christine Etschmaier
